Respectful. Resilient. Resourceful. Reflective. Responsible. Ready.

IN THE NEWS

Healthy bodies, healthy minds

All the money has been counted from the children's Healthy Snack Sale during our recent Curriculum Week. The children raised a whopping £100! This is absolutely fantastic and thank you for your support. The money will be used to enrich our curriculum even further.

Our community

In last week's newsletter I politely reminded parents and carers to be considerate with parking in a bid to keep our children safe. Unfortunately, we have had a couple of complaints from our local residents this week regarding inconsiderate parking over their driveways and, sadly, an incident of verbal abuse directed at a local resident. This is not acceptable. Montgomery is a school that values its community and we have excellent relations with our neighbours. I would like your continued support with this on-going difficult matter.

Dinners Week 1 next week.

Thursday favourite is popcorn chickens or quorn nuggets

Dogs

This week one of our pupils was very frightened of an unattended dog at the front gate. Whilst we love animals at Montgomery, for the safety of all of our children I would ask that dogs are not tied to the front gates and left unattended. If you walk your dogs to school, please stand with them at the gates and your child can walk around to their classroom door.

A huge well done to our Foundation Stage on completing their first full days! Also well done to our kitchen staff who received a 5 star rating for hygiene. Have a great weekend all.

ATTENDANCE

The national expectation for attendance is 96%. The government has clarified the position regarding the term 'regular' attendance. It means children must be in school **EVERY DAY**. Every second counts at Montgomery. We **must** work together to improve attendance and punctuality even more.
