## IN THE NEWS

### Creative learning

Walking around school has been such a delight this week seeing the wonderful things going on... some highlights were seeing EYFS writing a whole sentence independently using their sounds, seeing Class 4 investigating Anglo Saxon in a very creative way (you'll have to ask them about it!) and many other exciting things going on! I have got to mention how proud I am of our Year 6s this week... amongst all these creative activities, they also had some mock tests and they approached them with maturity, resilience and tried their very best – which is all we can ask. It has been a lovely week!

### Library refurbishment

Over the last couple of weeks, we have had art students from SEEVIC painting the walls in our library. They have produced two fantastic murals depicting a mix of fictional characters and people from history to brighten our library. Mrs Hughes organised this and will, over the coming weeks, be completing her new library vision. As soon as it is ready, we will invite you all in for a Grand Opening!

### Match Report

On Thursday, our football team had an away match at North Crescent Primary in Wickford. Here are the details: We played a league match against North Crescent, the first half was a close fought game, however North Crescent scored just before the end of the first half. We came out fighting in the second half with Joshua equalising, this was followed by a goal from Frankie and then another by Beau. The match ended with a 3-1 win to Montgomery. We all felt that the referee was on their side but that their goalie let them down. Report by William and Beau

*We wish you all a very happy and safe half term. We look forward to seeing you back in school on Tuesday*
