IN THE NEWS

Year 5 Triumph

This week I received a letter from King John complimenting us on the behaviour and enthusiasm of members of Class 5 when they attended the Journalism Masterclass. They specifically mentioned Amy Watkins and Isabella Cudby as "graduating" journalists. Well done!

Space Week

There has been a buzz around school this week as the children have had a very special curriculum week linking Science, History and Design Technology. Mrs Bolt (Science Leader), Miss Carter (Humanities Leader) and Mrs McCullion (Creativity Leader) put together the proposal for this week and it has been a great success! Mrs Bolt booked Explorer Dome, an interactive experience about Space, who came in on Wednesday and the children LOVED it! Today we had the launching of the space rockets that each class have been researching, designing, making and evaluating. It has been an inspiring and fun week of learning; one that the children will remember always.

Dinners Week 2 next week.

Thursday favourite is Popcorn Chicken or Quorn Nuggets.

A huge well done to our runners and a big thank you to those parents who provided transport to take the children there.

ATTENDANCE

The national expectation for attendance is 96%. The government has clarified the position regarding the term 'regular' attendance. It means children must be in school **EVERY DAY**. Every second counts at Montgomery. We **must** work together to improve attendance and punctuality even more.
