IN THE NEWS

Well done Year 6!

Well, what a week it has been this week! Luther King Class did so fantastically well this week trying their very best on their SATs tests. All the adults in school are so very proud of them and they really deserve a rest this weekend. They enjoyed their Friday Funday today with pizza, films and rounders after a very busy week. A huge well done!

A few reminders

The weather is due to get warm next week, so please ensure your child has suncream on before they come to school and that they bring a hat and their waterbottle with them to keep them protected and hydrated. We are noticing that some unhealthy items are sneaking in to some lunchboxes. Please remember, as a school, we have the Healthy Schools Award and encourage you to follow the healthy guidelines as much as you can. Please ensure that your child has things in their lunchbox that they enjoy to eat as they all tend to be very hungry at lunchtime due to using so much brainpower in the mornings! Thank you for your support.

Explorer James

You will probably remember James Sketchall, the inspirational explorer who visited last term. At the time, he was planning an expedition to Greenland. On Wednesday, Peacock Class were thrilled to have a telephone call from his satellite phone all the way from his expedition in Greenland! They asked him questions that had been supplied by all classes and Miss Carter recorded the call for all to listen to. It is wonderful that the children have the opportunity to keep in touch with him and I know we will continue to follow his adventures.

Good luck to Curie Class who will be starting their Key Stage 1 SATs next week! You will be fabulous! Wishing you a restful and sunny weekend.

ATTENDANCE

The national expectation for attendance is 96%. The government has clarified the position regarding the term 'regular' attendance. It means children must be in school **EVERY DAY**. Every second counts at Montgomerie. We must work together to improve attendance and punctuality even more.
