IN THE NEWS

London Calling!

On Friday last week, Attenborough Class had an excellent trip to the Tower of London to visit the Tower and also the Superbloom Project. Even though the weather was scorching, the children were so wonderfully behaved. The adults were so proud of all of them.

Baby Booming

I know you will join us on wishing Mrs McCullion all the very best as she embarks on her maternity leave today. We are all very much looking forward to meeting her new little bundle and she has promised to bring him in to see the children soon.

Hyde Hall

Today Branson Class have visited Hyde Hall Gardens as consolidation for their Science work on Living Things and PSHE learning about environmental awareness. They were true Montgomery ambassadors and represented our school well. I know that they learnt a lot from the day.

Transition

We have had a busy week in school in terms of transition! On Tuesday and Wednesday we welcomed our new little ones due to start school in September. They had a tour of the school and had a little session in the classroom. Our eldest children in school also had their transition days at Appleton and King John. They had a fantastic time and felt very grown up. They are truly ready for the next step!

ATTENDANCE

The national expectation for attendance is 96%. The government has clarified the position regarding the term 'regular' attendance. It means children must be in school **EVERY DAY**. Every second counts at Montgomerie. We must work together to improve attendance and punctuality even more.
