## IN THE NEWS

### Year 6 SATs

A huge well done to our Year 6s for all of their hard work this week on their SATs. SATs week is never an easy week, with all of the tests crammed into that short space of time! The children approached the tests with maturity, focus and most importantly their best efforts. We are all so incredibly proud of them and look forward to the next few weeks of preparing for our school performance! Please note, the performance and Leavers Assembly will take place on Thursday 20<sup>th</sup> July at 9:15am.

### Sporting News

A big well done goes to our Year 5 and 6 Monday footballers, as Montgomery came 1<sup>st</sup> place in the small schools' league. We are very proud of all the children who represented us, as well as those who didn't get a chance, due to fixtures being rained off more often than not! The children have impressed us with their readiness and positivity during a difficult season. Amazing job team!

Well done also to our Year 5 and 6 Netballers who have secured joint 3<sup>rd</sup> in the mixed league. The netballers have developed so well with their teamwork and skills throughout the year, and we are very proud of every member of the club! We are loving watching you play and enjoy your sport!

*Have a wonderful weekend and let's hope the sun continues to shine!*

## ATTENDANCE

The national picture of attendance is currently fluctuating. Previously, we compared our attendance to a National figure of 96%; presently this figure fluctuates week on week. The government clarification of 'regular' attendance has not changed: it still means children must be in school **EVERY DAY**. Our motto, every second counts, is at the heart of Montgomerie. We must work together to continue to improve attendance and punctuality. This week's National: 91.7%
