IN THE NEWS

Curie Class

I wanted to say a huge well done to Year 2 who have started their Key Stage 1 assessments. They have taken it all in their stride and have tried very hard on the papers we have done already this week, which is all we could ever ask of them. Well done Curie Class!

Netball at The Deanes

On Wednesday, a team of our Year 6 netballers went to The Deanes to take part in a netball rally. There were over 20 teams competing, divided into pools of 4 teams. We won two out of the three matches but this wasn't enough to take us through to the semi-finals. The children had a great day and we were complimented on their behaviour and team spirit by the other schools we played. Well done!

Muddy Run

Harry (Year 5) and Grace (Year 3) are completing a muddy run to raise money for Cancer Research and Grace is also donating her hair to the Princess Trust in order for them to make wigs for poorly children. If you would like to support them, their Mum has shared the following link with us if you would like to donate: <https://fundraise.cancerresearchuk.org/page/danielles-race-for-life-211007033978> Good luck to them both and well done for fundraising for such important causes.

Have a wonderful weekend and let's hope the sun continues to shine!

ATTENDANCE

The national picture of attendance is currently fluctuating. Previously, we compared our attendance to a National figure of 96%; presently this figure fluctuates week on week. The government clarification of 'regular' attendance has not changed: it still means children must be in school **EVERY DAY**. Our motto, every second counts, is at the heart of Montgomerie. We must work together to continue to improve attendance and punctuality. This week's National: 91.7%
